

Ingenico Group improves its ranking in the annual European survey of Thomson Reuters Extel

Ingenico Group (Euronext: FR0000125346 - ING), the global leader in seamless payment, has again improved its ranking in this year's Thomson Reuters Extel survey dedicated to CEOs, CFOs and investor relations.

In 2014, Philippe Lazare, CEO of the group, ranks number two within European CEOs in the sector of telecom equipment / IT and hardware.

Patrice Durand, Chief Financial Officer, enters the ranking in fourth position.

Catherine Blanchet, VP Investor Relations & Corporate Communication, improves her ranking to the number two position for investor relations.

The Thomson Reuters Extel survey has been realized among the financial community, notably sell-side and buy-side analysts, and distinguishes the excellence in financial communications of listed European companies.

About Ingenico Group

Ingenico Group (Euronext: FR0000125346 - ING) is the global leader in seamless payment, providing smart, trusted and secure solutions to empower commerce across all channels, in-store, online and mobile. With the world's largest payment acceptance network, we deliver secure payment solutions with a local, national and international scope. We are the trusted world-class partner for financial institutions and retailers, from small merchants to several of the world's best known global brands. Our solutions enable merchants to simplify payment and deliver their brand promise.
