Ingenico Group (Euronext: FR0000125346 - ING), the global leader in seamless payments, today announced that the publication of its Q1'20 revenue will be held on **April 22<sup>nd</sup>, 2020** (versus April 28<sup>th</sup>, 2020 previously) and the postponement of its Annual General Meeting to **June 11<sup>th</sup>, 2020** (versus May 26<sup>th</sup>, 2020 previously).

In February 3<sup>rd</sup>, 2020, Ingenico Group and Worldline have announced the creation of the new world-class leader through the unique combination in the payment ecosystem of both companies. This transaction has been approved unanimously by both Boards of Directors, with the full support of reference shareholders and strategic partners (Six Group, Atos and BPI). In this context, in order to ensure a simultaneous financial communication, Ingenico Group and Worldline have decided to align their financial communication agendas. Hence, the Ingenico first quarter 2020 revenue publication will be held on April 22<sup>nd</sup>, 2020, the day before Worldline's quarterly communication.

Furthermore, due to the exceptional circumstances linked to the Covid-19 epidemic, the Board of Directors, which met today, has decided to postpone the Annual General Meeting to June 11, 2020 in order to ensure better sanitary conditions to the meeting.
